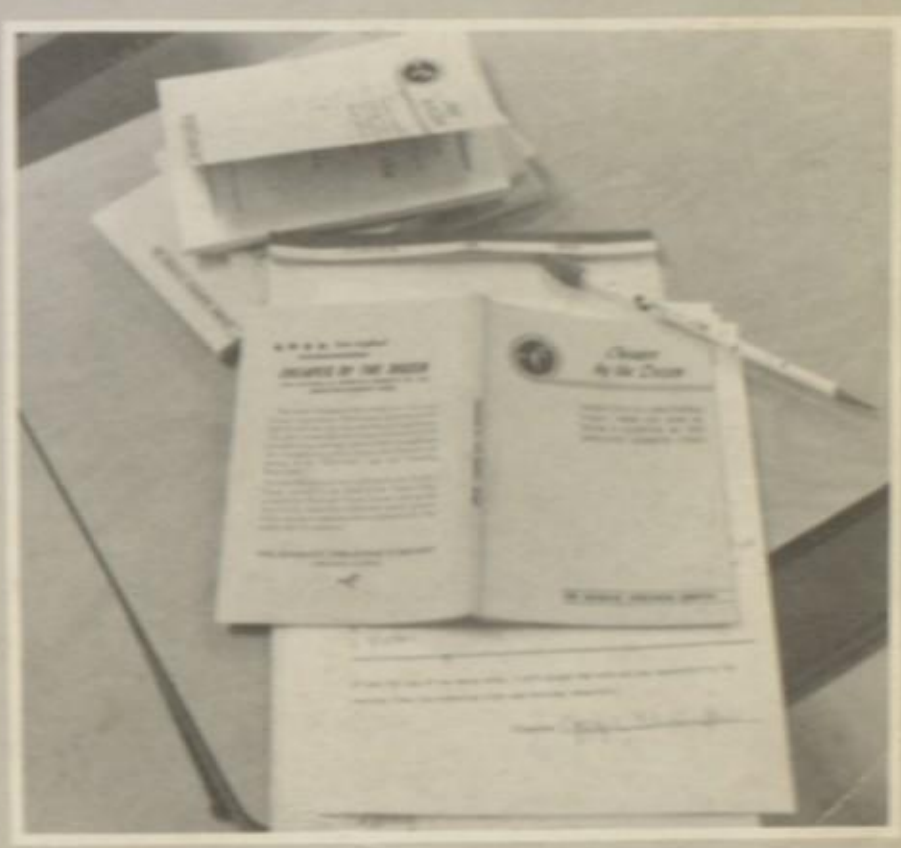
A Galaxy of Stars

Welcome to the LVA Galaxy of Stars. At LVA everyone is a star, each shining with its own special brilliance. Our spaceship will travel through the 1983-84 school year from shining star to shining star highlighting the year's activities.

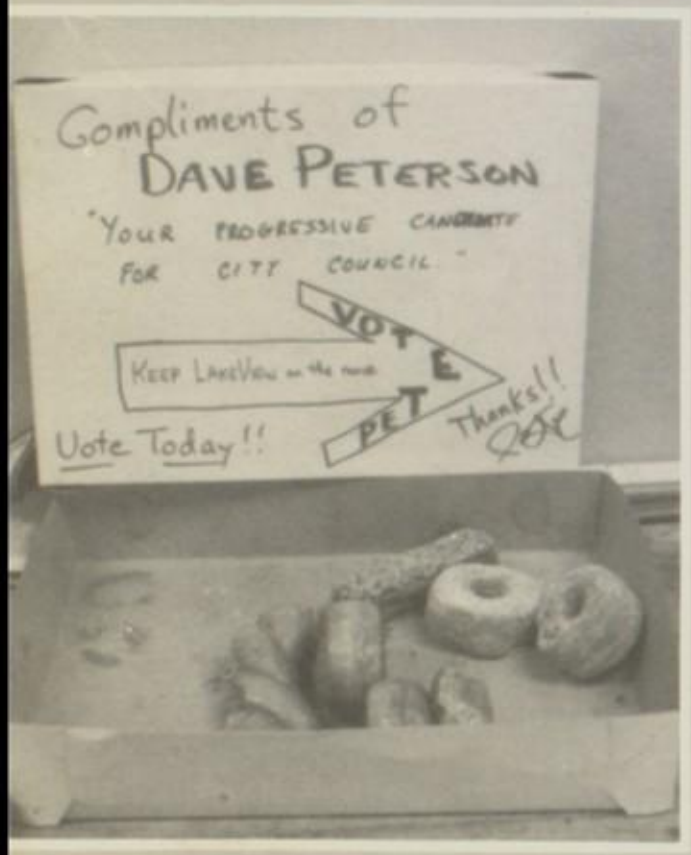
Our stars reported fou school during the midst of one of the severest heat waves ever recorded. Stars wore shorts and welcomed a canoe excursion on Blackhawk Lake.

Many renovations were made at the Lake View building. The new gym floor was refinished, the roof of the gym repaired, the front steps replaced, and the old gym completely remodeled.

Regular fall activities kept LVA's stars busy--All-State, football, volleyball, all-school play. Hours of practice paid off as LVA once again came through with shining performances.



Stars Shine in '84



Homecoming kept us busy as preparations for the big day were made. Our own star, Dave Peterson,was successful in his bid for the Lake View City Council. Conferences brought parents and teachers together to help further the educational experience of all LVA's SHINING STARS.

ADMINISTRATION

Administrative

Administrators Kurt Kaiser and Norma Wallace set in motion methods of reaching the goal of up-dating and revamping different curriculum areas. Elementary teachers worked on the math curriculum last summer and will focus on science this year. The Board of Education and Administration also delved into numerous repair and remodeling projects throughout the school year and coming summer.

Goals Focus on Curriculum

Lawn Displays

Participating in "Punk Rock Day" are juniors Kent Johnson, Mark Kramer, Jay Frisbie, and Mike Van Meveren. Spirit week also included hat and shades day, mix 'n match day, and jersey day.

Change in format for Homecoming 1983 as the Student Council voted to initiate new traditions. Lawn displays were built and decorated the front lawn of the high school. They were later moved to the football field for viewing. The traditional parade was discontinued and replaced with a hog roast open to all alumni and friends of LVA. Very tasty and very successful!!

The Junior Class won both the skit and lawn display competition.

Friendship

Yuri Nonomiya, a Tokyo native, joined the Gary Paul family during her stay at LVA. Yuri's interests include listening to music, eating fried chicken, going to the beach, and taking photographs. Yuri's school in Tokyo is much bigger, but she has enjoyed the friendly atmosphere and freedom of choice she finds at LVA.

Spending six months in the Marvin Ziegmann home is Marcio Maia from Rio de Janeiro, Brazil. Again, freedom of choice in subjects was mentioned as one of the many differences Marcio found at LVA. Marcio also enjoys listening to music and has found one of his favorites to be the McDonald's cheeseburger.

Forever

HOLD ON TO THE MOMENT

Single file and yet together
We have shared our greatest days.
And we carry common memories, in different ways.
Though we don't know where we're going,
We will cherish where we've been.

I want to cry, I want to shout. . .want to let this feeling out.
Hold on to the moment, let the feelings show
Hold on to the moment, never let it go.

I can picture us together, with my arms around my friends.
Just let me hold on to this moment, before it ends.
There is laughter, there were tears
Through the dozen golden years.
